INSTRUCTIONS

1. Purchase orders will be submitted to the Contractor via the Commonwealth of Virginia's electronic procurement system, also known as eVA. The orders will be governed by this agreement and the terms and conditions contained in the separate agreement for participation in eVA executed by the contractor. If this contract is authorized for use by localities, Virginia cities, counties, town and political subdivisions may use this contract only if the orders are placed through eVA.

Written Purchase Orders Required by the Contractor. **When required by the contractor**, state agencies and public bodies will supply written purchase order forms for orders under \$5,000.

Verbal/Facsimile Orders. When a written purchase order is not required by the contractor, state agencies have the authority to place verbal and/or facsimile orders for requirements valued at less than \$5,000.

2. If this contract is authorized for use by localities (see line item 6, page 1), Virginia cities, counties, towns and political subdivisions may use their own form to order items listed in this contract.
3. The applicable contract number, federal employer identification number (FEI), and item number (for itemized contracts) must be shown on each purchase order and copy, each facsimile transmission or given verbally when telephonic orders are placed.
4. Inspection on delivery and approval of vendor's invoice is the responsibility of receiving state agency, Virginia City, county, town or political subdivision.
5. Any complaint as to quality, faulty or delinquent delivery, or violation of contract provisions by contractor shall be reported to the Division of Purchases and Supply for handling with the contractor. Preprinted forms (DGS-41-024), by which to facilitate the notification of the contractor and this office of complaints, are available from the Division of Purchases and Supply (786-8873).
6. Renewals. Three (3), one year renewals remain. The decision as to whether to exercise the next renewal option will be made by the contract officer approximately four to six months in advance of the expiration date of the current term.
7. Price Adjustments. During the current term of the contract, price escalation may be allowed every 365 days, if justified. The contract officer makes the decision to allow or deny a request for increase based upon the documentation submitted by the contractor. The contractor is required to pass on any price reductions immediately. **IMPORTANT!** All price increases must be approved by the contract officer. Contract users will be sent a Notice of Contract Change from this office as official notification of such changes, if approved. There is also a price adjustment allowed for gold (see paragraph 10)

SPECIAL CONDITIONS

8. **MINIMUM ORDER:** will be \$100.00 for F.O.B. delivery to ordering agency within the Commonwealth of Virginia. For orders of less than \$100.00, the contractor will be permitted to add actual transportation cost (prepaid) to invoice for payment, or the agency may purchase such order off contract from other sources. Partial shipments of less than the minimum order value which are made at the option of the contractor shall be made F.O.B. Destination with no transportation charges added. If at the agency's request shipments are below the minimum order value, the contractor may add actual transportation cost to invoice for payment.

9. **DELIVERY:** J. Jenkins shall be made within ten (10) weeks after receipt of the order. In the event the Contractor is unable to fill any order within the 10 week period, the Contractor shall immediately notify the Division of Purchases and Supply, in writing, listing the reasons for such delay. Such written notification shall not negate the Commonwealth's right to declare the Contractor in default as indicated herein.

O. C. Tanner shall be made within 30 days after receipt of the order. In the event the Contractor is unable to fill any order within the 30 days, the Contractor shall immediately notify the Division of Purchases and Supply, in writing, listing the reasons for such delay. Such written notification shall not negate the Commonwealth's right to declare the Contractor in default as indicated herein.

10. **GOLD SURCHARGE:** Bid prices shall be indicated as base price. All base prices shall be figured upon the free-market price of fine gold at \$360.00 a troy ounce. A gold surcharge shall be in addition to base prices and shall reflect the difference between the pure gold content of all emblems and functional items at the \$360.00 an ounce figure and the actual free-market value. The gold surcharge shall be computed for each order at the time the order is received. The Commonwealth will allow a price increase or decrease per grain on gold actually included in each line item. Contractor shall include with his invoice the price of gold as listed from Morning London FIX base price on the date of receipt of order.

The following formula shall be used by the Contractor when determining the surcharge to be added/subtracted for each item:

$$\begin{array}{rcl}
 \begin{array}{l} 1. \text{ Market Price of Gold} \\ \text{on date of receipt} \\ \text{on purchase order} \end{array} & \text{---} & \$360.00 \text{ base price of gold} \\
 \hline
 480 \text{ grains} & & \text{Price Change} \\
 & & = \text{per grain of 24K gold}
 \end{array}$$

$$\begin{array}{rcl}
 2. \text{ Price change per} & \times & \text{Number of grains} & \times & .41667 \text{ or } 10\text{K Gold} & + & \text{Base Price of the item} \\
 \text{grain of 24K gold} & & \text{quoted in the item} & & & & \\
 & & .50000 \text{ for } 12\text{K Gold} & & & &
 \end{array}$$

This formula shall determine the total price for each item ordered.

11. **WARRANTY:** All jewelry and certificates shall be fully guaranteed against defects in material and workmanship for a period of one year following date of delivery, excluding vandalism and abuse. Should any defect be noted by the owner, the purchasing office will notify the contractor of such defect or nonconformance. Notifications will state either (1) that the contractor shall replace or correct, or (2) the owner does not require replacement or correction, but an equitable adjustment to the contract price will be negotiated. If the contractor is required to correct or replace, it shall be at not cost to the Commonwealth and shall be subject to all provisions of this clause to the same extent as materials initially delivered. If the contractor fails or refuses to replace or correct the deficiency, the office issuing the purchase order may have the materials corrected or replaced with similar items and charge the contractor the cost occasioned thereby or obtain an equitable adjustment in the contract price.
